The Honourable Gordon Balser
Minister of Economic Development

Dear Mr. Minister:

I am pleased to present the 1998 annual report of Nova Scotian Co-operatives in partial requirement of the Co-operative Associations Act, Chapter 98 Acts of 1989.

There were twenty new Co-operatives incorporated in 1998 with twenty-nine Co-operatives struck from the register bringing the total Co-operatives registered to 286.

Included in this report are twenty nine Co-operatives celebrating anniversaries this year ranging from 60 to 15 years in increments of five years.

This report is the 62nd since the 1935 Act which appointed an Inspector and a requirement to report annually to the Minister responsible for the Co-operatives Act.

The Co-operative Act in addition to providing incorporations, registrations, inspections and other legal approvals, assists with Co-operative business development including start up, management, marketing, legal issues and publications.

The Co-operatives Branch works closely with the NS Co-operative Council on new business initiatives along with the Department of Community Services in their new initiative to provide meaningful work for their clients through a client employee co-operative partnership with Government, Credit Unions, established Co-operatives and others.

The Co-operatives Branch is also active in promoting and advocating better utilization of the Department of Finance's Equity Investment Tax Credit Program which is designed to put RRSP's back into the communities where the equity is utilized to create economic activity and more new jobs.

Sincerely

Fred A. Pierce
Director of Co-operatives

TO NOVA SCOTIAN CO-OPERATIVES

This is the 62nd report of Co-operatives registered under the Co-operatives Associations Act which reports on Nova Scotia Co-operatives' 1998 activities.

The Co-operatives Branch primary responsibility is to administer the Co-operatives Act by approving and filing incorporation documents; yearly registration so Co-operatives can continue to do business in Nova Scotia; to approve changes to bylaws, articles, borrowing or other significant changes in the Co-operative; to inspect or examine into the affairs of the Co-operative and to wind up and/or strike Co-operatives that no longer operate.

The second role and perhaps the most valuable, we think, is to provide assistance to Boards and Managers in areas where they are not familiar e.g. member exclusions, interpretation of Co-operative legislation, management issues that will affect the Co-operative, suspending repayments of equity, deferred depreciation, capitalization of expenditures, etc.

A third role and one which now required most of our resources and time is new Co-operative development. We now have a close working relationship with the NS Co-operative Council in new initiatives for Co-operative development and with the Department of Community Services, which has identified Co-operatives as a means to employ social assistance recipients in a meaningful way in a partnership arrangement through a worker Co-operative in partnership with a viable community owned business.

As an integral part of our development initiatives we are employing the tax credit incentives of the Department of Finance for Co-operative member shares which include self-directed RRSP's. To compliment this incentive, equity support is available for share purchases by Social Assistant Recipients.

We have developed a comprehensive detailed list of all major businesses in the Northern Region of the Province, soon to be followed by a Cape Breton list and the other two regions, once time permits. From these data bases we will be contacting the best prospects to determine their interest in an ownership arrangement that includes employees of the business.

If you have any questions about the services of the Co-operative Branch please contact us.

Sincerely,

Fred A. Pierce
Director of Co-operatives
Inspector of Co-operatives

Special Note: The up-to-date registration status of Co-operatives may be obtained through an Internet web site: <http://www.gov.ns.ca/bacs/rjsc>. To obtain information you must enter the Co-operatives registration number or the Co-operative name.

CO-OPERATIVES CELEBRATING ANNIVERSARIES OF INCORPORATING IN 1998

In 1998, we have 28 Co-operatives celebrating their Anniversaries of Incorporation.

Please accept our congratulations and our vote of appreciation to you and the board for your commitment to service to your members and to cooperation. We hope your success will continue and we offer the service of the Co-operatives Branch to assist with your commitment to your members.
